Chapter 1 - Burning Memories

1 - Burning Memories

Images that can't be erased

Burned into my mind

Memories that can't be forgotten

I care about you, and you care about me

We have moved on since those days

When the pain was constant

Those times when tears were cried so much

And hate burned in our souls like a ragging fire

We've moved on, and continued our lives together

For we will always be there for each other

Friends till the end of time

But I can't forget those days

They're imbedded in my head

They scorched my soul

I can forgive, but I can never forget

All those days when hate filled our hearts

Betrayal, Sadness, Hate, and Longing

We move on together

But we can never be as we once were

For the hate still burns

Not as a ragging fire

But as embers hidden behind my smile

I was trying to explain to my friend how I felt and I couldn't say it right, so I wrote this to explain to her.
