## 1 - One and only

OMG You're going to BRISTOL!!!  
I could shoot myself with a pistol!  
You can't leave us, we're your friends  
Our love for you it never ends.  
You have to stay in touch with us,  
Or just come visit, get on a bus!  
We're going to miss you and your love of Aragorn  
(Althouhg in my opinion, loving a human's like loving a thorn)  
How can you leave us, you utter rotter,  
We're going to miss you, Jazzy Potter.
