1 - Good Bye Seniors!

"05" Class Day Poem

We'll start off by saying

We're glad to have known you

And though you are leaving

We'll continue thinking about you

We know that graduation

Is a wonderful event

But we can't help but think

Of all the time we have spent

It's sad to think that

It won't be nearly as much after this

And we want you to know you will be missed

But instead of using the words "good-bye"

We'll say "until next time"

Because we know that all of you

Will come to visit us sometime

So we wish you all the success and happiness

We know that you desire

And we want you to know that because of you dreams

We have all been inspired
