Sisters

Sisters are so cool,

You can swim with them at the pool.

Sisters are so loveable,

Sisters are so huggable.

Sisters are the best,

They can sometimes be a pest.

Sisters are great,

With a twin you can double date.

Twin sisters might be the same,

A little sister might be hard to tame.

Having a twin sister is so sweet,

Sometimes she is hard to beat.

Sisters can be so nice,

But can sometimes be cold like ice.

Us sisters stick with each other like glue,

We make each other happy when one is blue.

Sisters are so cool,

You can swim with them at the pool.

Sisters are so loveable,

Sisters are so huggable.
