1 - Happy Mother's Day..

Happy Mother's Day means more than have a happy day,
Within these words lie many things I may never get to say.
It means I love you first of all, and thanks for all you do,
It means you mean a lot to me, and that's why I honor you.
Most mothers rarely get the thanks that they rightly deserve,
Especially when it's another's dreams for whom they serve.
You fed me, and watched me, and taught me how to play.
So smile, `cause I love you, on this special Mother's Day!
