Chapter 1 - The Devil's Cry

2

1 - The Devil's Cry

"The Devil's Cry"

(Demonic voce lyrics)

Now you've really crossed the line

Your hate for me is divine

My love yearns your suffer

On the grave lurks my prosper

Taunt more as a lure but it's no use

Knots tight my excite I prepare the noose

Say no more it's time for you to make your move

My blackened soul lit by your fuel

Implodes your moral and drain your pride

Too late for debate or run and hide

Time to take your life it tolls the bell

To your hell I'd like to welcome you

(Whispered demonic voice lyrics)

**Hail to a father of divine
To the son the light will shine
From the angst of lost memories
A just revenge to cure misery**

(Clean voice lyrics)

**We are falling
The light is calling
Tears inside me
Coming down**

**Bless me with the
Leaf off of the pure tree
On it I see
The freedom reign**

**Midnight calling
Mist of resolving
Crown me, with the
Pure green leaf**

Praise to my father

Blessed by the water

Black night, dark sky

The devil's cry

(Demonic voice over clean voice lyrics)

The power's proven to end the madness/ We are falling

Upon I take it to end the savage/ The light is calling

The rays of light a truth of meaning/ Tears inside of me

To my father the blood is pleading/ Calm me down

A justice rage for all to feel/ Midnight calling

With innocent cries and hatred squeals/ Mist of resolving

The gore of evil seems to satisfy/ Crown me, with the

When slain an maimed and pacified/ Pure green leaf

My chosen torture makes me stronger/ Bless me with the

In a life that craves the hunger/ Leaf off of the pure tree

A Freedom and a quest for life/ On it I see

Until the end the judgment night/ The freedom reign

Watch the footsteps but never follow/ Praise to my father

If you want to live tomorrow/ Blessed by the water

Steel a soul for a second chance/ Black night, dark sky

(Clean voice lyrics ending)

The devil's cry!

Assembled, typed, and submitted by: UT Inuyasha.

Original song lyrics from: Capcom's "Devil May Cry 3: Dante's Awakening".

Original lyrics composed by: Tetsuya Shibata, composer of the Capcom Sound team.
