**(Lorane, a purple three tailed kitzune has grown up and is now 15 and has her life on his own. no one has really cared about her, except Tails. but that is the way she likes it. the town is full of people but no one has time to talk to Lorane. maybe cause it's only 3 weeks to christmas. the snow is covering the town like a sea of feathers, it's sparkling like small diamonds and it's all just beautiful.)**

Lorane: \*looks around and sees a boy not so far away\*

**(The boy is white as the snow and his eyes is blue as the sea. it's a echidna boy in the same age as her.)**

Echidna boy: \*walks to Lorane\* Hi...why are you looking at me like that?

Lorane: well....I...I...I didn't mean to, i just looked around and...Well i dunno...who are you anyway?

Echidna boy: My name is Kyle, the son of Knuckles and Rouge. who are you?

Lorane: my name is Lorane, the daughter of Blaze and the new keeper of the sol emeralds. my dad is not so important...i don't remember him anyway.

Kyle: well...i think i have to go...i have presents to buy....bye \*walks away\*

Lorane: Nice guy... \*turns around\*

**(Just when Lorane turns around a hand full of snow hits her face.)**

Lorane: Who did that?! \* takes away the snow from her face\*

**(Suddenly some one is laughing. Lorane looks around and sees some kids. they are laughing and looks at Lorane.)**

Lorane: YOU ARE SO DEAD! \*runs to the kids\*

kid 1: oh oh...not good.

Kid 2: you think?

kid 1 and 2: RUN! \*runs away\*

Lorane: COME BACK HERE! \*runs after the kids.

**(Lorane didn't find the kids so she turned just walked away. but suddenly something covers the sky, everything turns black and dark, a strange buzzing noise is coming from above, and when Lorane looks up she can see a army of robots coming down, so she runs and hides on the first place she sees and bites her tongue to shut up, she can see the robots walking around on the street, people are running around and screams, then she sees him, Kyle is fighting with two robots.)**

Lorane: he will never make it alone, I have to help him!\*Runs to Kyle and the Robot\*

Kyle: \*looks back and sees Lorane\* What are you doing?!

Lorane: I'm helping you! whad does it look like?!

Kyle: Are you crazy! it will kill you?!

Lorane: lets se it then! \*jumps up in the air and lands on the top of the robot's head\*

Kyle: What are you trying to do?! kill your self?

Lorane: just wait and see!

Robot: \*picks up a laser gun and shoots\*

Lorane: \*jumps down from the robot so the laser hits the robots head\*

Kyle: I can't beleve you made it!

Lorane: hehe \*blushes\* i have practised a bit.

**(Suddenly 2 more robots comes up behind Kyle and Lorane and catshes them. Lorane and Kyle are trying to get away and screams to the robots to let go but the robots didn't listen. they just walked away whit them.**

Kyle: \*punshes the robot as hard as he can and the robot drops him\* loser! \*stands in front of the robot and grabs the laser gun\*

Robot: \* swings his sword and hits Kyle in his face\*

Lorane: KYLE! Are you hurt?!

Kyle: i'm fine. we haven't started yet. \*smiles and shoots both of the robots so they falls to the ground\*

Lorane: that was close. \*looks at Kyle\* you have blood all over your face!

Kyle: you think so? \*washes his face with snow\* better now?

Lorane: doesn't it hurt?

Kyle: not now... \*looks around and sees the robot has disappeared\* they are gone....

Lorane: strange....

Kyle: yeah...but i don't think we have seen the last of them...i have to go now...see ya later

Lorane: bye.

**(What is this all about? where did the robots come from? and where did they go? well find out in the next chapter.)**

## 2 - a message

(well Lorane as still thinking aboute what hapend the last day. where did the robots come from? and why? did some one send them? then who? and where did they go? all this questions is floating around in her mind and messes it up. Lorane can't think clear.)

Lorane: If the robots come here for no reason why did they eaven come here at the first place?! I'm so confused! \*slams her head in to a wall\* well...i don't think that is making anything better... \*walks to the window and looks out\*

**(a small spot is apearing on the sky and it's just getting closer and closer.**

Lorane: I give up! it's nowhere! i can't find it!

Kyle: find what?

Lorane: I have to find a ship so i can travel to "the ARK" but i can't find it, and if i don't find it all my friends will die and...and...I'll never see them again. It's Sonic, Tails, Knuckles, Rouge, Shadow, Cream and the others. they are trapt on "the ARK" and they will die if I don't save them.\*starts to cry\*

Kyle: I dunno... maybe if we follows it we will find the others.

Magneto: great idea.

**( they followed the sound until thy comed to a door. And the yelling and slamming was so loud that what ever it was I had to be on the other side of that door)**

Lorane: well... are you coming with us?

Speedy: hm...well...you look like you could need some help....i'm coming with you...

Lorane: perfect. \*smiles a bit\*

**(they continued their search without finding anything. Lorane started to think about how risky it is to be this many persons, and how Speedy came in to that room...and then they heard footsteps)**

Lorane: now what are we going to do? \*gets a bit panic\*

Kyle: the only thing we can do.

Magneto: and what is that?

Kyle: RUN!

**(They started to run. Soon they heard voices behind them shouting, the footsteps came closer and closer. And they ran faster. After running in a minute that felt like an hour the footsteps disappeared. )**

Lorane: that was close.

Thunder: too close.

Magneto: yeah...we better be more careful now.

?????: you should have thought about that earlier.

**( Lorane was just about to turn around and see who had talked but before she could think something hit her head and she fainted and fell to the ground. What is going to happen next? Is this the end of this adventure? We'll find out in the next chapter!)**

## 5 - Shadow's answer

( Lorane wakes up, it's dark and cold in the room, she can only see ten figures. She recognises one of them. It's Tails, sitting in a corner. She was just about running to him but something holds her back. She can feel something on her wrists and ankles, chains... she was in a dungeon, unable to get out.)

Lorane: \*cries\* it's over...we will all die...

Tails: Lorane? Is it really you? \*comes so close to Lorane as possible\*

Lorane: Tails...are you ok?

Tails: yes...I'm ok...I'm a bit worried about Cream...

Lorane: is...she still alive.

Tails: yes...at the moment....

Lorane: what have they done to her?

Tails: we don't know...some times Eggman just comes and gets her...and when they come back she is almost dead...he has done the same whit Rouge and Knuckles...but they are just fine...

Lorane: oh...How can he be so heart less?!

Tails: yeah...and it has hapend a lot more...

Lorane: ah...now I remember...how did you get her at the first place?

Tails: well...we was in town and suddenly Eggman's robots attacked us. We couldn't do anything....we could only fight as good as we could, but they was too strong, and too many. They caught us and took us here. It was terrible. They was too strong even for Shadow to defeat.

Lorane: even too strong for Shadow?! That was unbelievable... were is Shadow anyway?

Tails: he is over there\*points\*, Eggman didn't want him to be in the same dungeon as we are...

Lorane:\*whispers\* oh...does he still think he can get Shadow back to his side?

Tails:\*whispers\* I don't know...

Shadow: I can hear you...

Lorane: oh...sorry...

Shadow: it's ok...I didn't really care anyway....

Tails: ok...

Magneto: \*wakes up\* wha...where am i?

Lorane and Tails: in Egg man's dungeon...

Magneto: ah...I see...not so bad....

Lorane: what do you mean with "not so bad"?

Magneto: well....it could have been worse...

Lorane: never ever say, I't could have been worse!

Magneto: Sorry...

**(every one wakes up, even Cream. They are talking about a way to get out from the dungeon then they can hear footsteps outside. The door opens and Eggman is outside.**

Eggman: Welcome to my dungeon Thunder, Magneto, Kyle and Lorane. Nice to have you here.

Lorane: let us out from here!

Eggman: sorry but I can't do that.

Lorane: and why not egg head?!

Eggman: it would be too risky, you could ruin my whole plan.\*laughs\*

Lorane: You damn idiot!! If I wasn't locked up I would have killed you!

Shadow: \*looks at Lorane and Eggman\* huh?

Eggman: \*laughs and walks to Shadow\* are you sure you aren't going to join my side?

Shadow: I wouldn't join you even if I would die if I didn't.

Eggman: \*picks up a little robot from his pocket\* well...if that is what you want...then you don't mind if I let this little critter be on your head for a while. \*puts down the robot on Shadow's head\*

Robot: \*gives Shadow an electric shock\*

Shadow: \*screams in pain\*

Eggman: do you want to join my side now?

Shadow: N...never.

Eggman: wrong answer.

Robot: \*gives Shadow a new electro shock and worse this time\*

Shadow: \*screams again and faints\*

Lorane: SHADOW! WAKE UP!

Eggman: \*looks at Lorane\* do you really care about him that much?

Lorane: yes I do.

Tails: Lorane, just shut up.

Eggman: let the girl speak Tails.

Lorane: If you hurt anyone of my friends again...

Eggman: then what? Are you going to kill me? \*laughs and walks away\*

Lorane: \*tries to run too Shadow but the chains stops her\* Shadow wake up! Please wake up!

Sonic: it's no use, he won't wake up in a while...

Kyle: Sonic is right...he is knocked out in at least a hour or so...

Rouge: yeah...that electricity was enough to make a elephant to pass out...

Knuckles: We have to get out from here! \*punches the wall until it breaks\* wops...

Tails: Knuckles! You are a genius! If you keeps doing like that we will be out from here in no time!

Knuckles: Right \*punches the wall again and soon there is a big hole in it\*

Lorane: Great! Now we only have to get the chains of and get out Shadow and then we can go home!

Speedy: that won't be so easy! \*points\*

**(what is it Speedy is pointing at? What will happen to Shadow? Will Cream survive? Find out in the next chapter!)**

## 15 - bad teamwork

("Ok this is how it is...my dad din't allow me to use his computer so i had to wait for him to fall asleep so that's why i haven't put up some new chapter before now. But now when he is asleep and i have the computer i'm going to vide you the next chapter of this story! so just lay back your head ans be ready to know what is hapening to our heroes." Well, after a long "normal" and "easy" trip to find Anique, our heroes are thinking about giving up. But some of them don't like that idea at all...and guess who...)

Mercury: Giving up?! What are you guys thinking?!

Magneto: We are just trying to see how it realy is.

Speedy: Exactly, we will never find him.

Sutaru: Yes we will!

Shadow: Is this one more of your traps? \*looks at Sutaru\*

Sutaru: What do you mean whit "one more of my traps"?

Shadow: How do we know that Mephiles is waithing for you signal so he can kill us?

Thunder: Shut up Shadow! You know that's not true.

Shadow: \*baby voice\* awwww, the big mighty lion is protecting his cute little girlfriend.

Thunder: I said shut up!

Shadow: What are you going to do? Kill me?

Thunder: Thinking about it.

Shadow: Come on then. Go ahead and kill me!

Thunder: It will be a pleasure.

Sutaru: JUST SHUT THE HELL UP!!!

Lorane: Sutaru?!

Sutaru: I can't beleve you still think i'm working for Mephiles!! Remember he almost got me killd!

Shadow: But you didn't die!

Sutaru: No i didn't!

Shadow: What do you want?! A parade?!

Sutaru: Shut up and just listen!!!

Shadow: No you are the one who is going to listen! Thanks to you me and Sonic almost got killd! All of us could have got killd! And now you are thinking that you just can join us ant then think it's all over! But you have to know that i don't trust you at all! You are nothing but a traitor! And that's how it is!

Sutaru: Think what you want about me! You just come here whit your chaos control ant thinks you are the best!

Shadow: Well I AM the best of us! I would like to see if you could do what i'm doing!!

Sutaru: Do what?! Run around and shout " Look at me! I'm the ultimate lifeform! I'm better than everyone!"

Shadow: Shut up!

Sutaru: Well that's what you do! You are such a show up!

Shadow: I said, SHUT UP! \*shoots a Chaos spear at Sutaru\*

Sutaru: \*screams and falls to the ground\*

Thunder: Sutaru! \*runs to Sutaru and sits down beside her\* Are you hurt?

Sutaru: Not...realy.

Thunder: \*notices that Sutaru is bleeding on her arm\* Your arm!

Sutaru: huh? \*looks at her arm\* just a little scratch mark...

Thunder: Scratch mark?!

Sutaru: It doesn't eaven hurt...

Shadow: who's the show up now?

Sutaru: Do the world a favor and shut up. They might put it in the worldrecord book under the tittle "Longest time whit out shutting up."

Shadow: That's it! I'm not going to work whit her! \*turns around\*

Sutaru: Fine! Do you wanna know a thing? I don't want to work whit you either! \*turns around\*

Thunder: \*thinks: well...she seems to be fine now...\*

Sonic: May i say a thing?

Sutaru and Shadow: NO! \*looks at Sonic\*

Sonic: Oook...

Kyle: Well...if it's like this than we just have to split up in diffrent groups...

Sutaru: Perfect idea!

Shadow: As long as i don't have to work whit that traitor.

Thunder: Fine. Me, Sutaru, Sonic and Armi are one group.

Magneto: Ok. Me, Shadow, Lorane and Tails are group nuber two.

Flamie: I can work whit Kainou, Speedy and Kyle.

Knuckles: Ok, i'll go whit Rouge, Mercury and Amy.

Shadow: sooo....you like to be surrounded by girls.

Knuckles: Shut up.

Sonic: I think we shuld do like this. Thunder, Sutaru, Kainou, Mercury, Flamie, Armi, Kyle, Speedy, Me, Tails, Scamps, Tulpi and Magneto are a good group.

Shadow: Fine! Then I take the other ones.

Sonic: perfect. Now we can start sershing again!

(The groups walked difrent ways, Sonic's group kept walking north while Shadow's group were walking south.)

Scamps: This is sooooo boring.

Tulpi: I agree...I need something to do...

Magneto: yYou are already doing something...you are on a rescue mission.

Tulpi: I am? Sience when?

Scamps: Sience you joined this patethic group...

Tulpi: When did i join?

Scamps: At the same time as me...

Tulpi: When was that?

Scamps: I have no idea...

Sutaru: \*looks at her watch\* it was two days and five hours ago...

Scamps: Wow, have i survived whit you idiots for that long?

Every one: We are not idiots!

Scamps: maybe not...but still i don't realy think i like you...

Tulpi: But...

Scamps: I wasn't talkig about you...

Tulpi: Ok...

Thunder: \*looks at Sutaru's arm\* let me see...

Sutaru: Ok...but be careful...it hurts a little bit...

Thunder: \*looks close at Sutarus arm\* this doesn't look very good...

Sutaru: I'll be fine...

Thunder: wait a second...\*pics up a bandage from his backpack and puts it around Sutaru's arm\* does it feel beter now?

Sutaru: Yes...thanks.

Thunder: No problem.

Scamps: Can you guys please stop that?

Kainou: Just let them talk. That's what love is all about.

Scamps: But...it's not only about saying cute things to each other and kissing....

Kainou: but...nah...forget it.

Speedy: \*stands a bit infront of the others\* Hey guys! look, i think i have found something intresting.

( Every one runed to Speedy and looked down on a big building. It looked like some kind of military base

or a big factory. it was a fence all around it and it was built of metal, on some of the walls there were windows and beside them there was cameras. Every centimeter of it seemed to be impossible to break through.)

Sutaru: Oh my god.

Thunder: That's the words.

Speedy: Do you think Anique is in there?

Kyle: Maybe he is.

Lorane: We should find out.

Sonic: It's too risky... don't go too close, they might see us.

Kainou: Exactly.

Magneto: Umm...Sonic...

Sonic: Yes.

Magneto: Didn't you just tell us to not go too close...

Sonic: Yes I did...how come...

Magneto: Well...I think Mercury didn't listen...

Sonic: WHAT!?! \*looks down to the fort and sees Mercury a few meters away from it\*

Mercury: Here I come Anique!

Sutaru: Oh man...I think I'll help her. \*runs down to Mercury\*

Thunder: Sutaru! Wait! \*runs after Sutaru\*

Sonic: Fine! Just run down there and get killed! Me and the others are going to stay here! Isn't it so guys? \*looks around and notices that every one has already run down to the fort\* WAIT FOR ME!! \*runs down to the others\*

Mercury:

(well...I have no more ideas for this chapter....but I made it to one of the longest chapters...hehe....well let's see if the next one will be as long as this one. ^^)

## 16 - one step trough and two steps back

(well...i'm soooo bored att the moment so i had to do something...so why not make a new chappy. hehe well let's continue)

Mercury: \*stands whit her back to the wall\* I have to get in there...

Sutaru: \*stands beside Mercury\* How are you going to to that if I may ask.

Mercury: I just...umm...I have no idea...

Thunder: We will come up whit some idea....but until we do that, just stand still and don't touch anything...

Sutaru: Ok...\*puts her hand on a buton by a mistake and suddeby a ear killing sound filled the air\*

Sonic: what did you do?!

Sutaru: Nothing!! \*covers her ears\*

Every one: \*falls down on the ground and covers their ears\*

(while our heroes are getting tortyred by the terrile sound some robots comes to them and captures them.)

Thunder: Get off me!!!

Sutaru: Leave us alone!!

The robots: \*gives Sonic and the others a electro shock that makes all of them to pass out and takes them in to the fort\*

(well back to group two.)

Amy: we have been walking for hours. can we go back now?

Shadow: forget it! have har inportant things to do.

Knuckles: like what to be running around in circels?

Shadow: we are not running around in circels.

Rouge: Don't you realise Shadow that we are going the wrong way?

Shadow: I'm the leader in this group so shut up and follow me.

Cream: but mr Shadow...

Shadow: what?

Cream: isn't it best if we are going back...i think Anique is....

Shadow: I'm the leader! I'm telling you where we are going!

Cream: but...

Shadow: No buts!

Cream: ok...

Amy: I'm going crazy!!!! I'm going back! \*turns around and goes back the way they come from\*

Knuckles: AMY! Come back here! It's not safe to go alone!!

Amy: \*ignores Knuckles and keeps walking\*

Rouge: she is going to need help.

Shadow: she'll be fine...

(suddenly they heard a scream and it was followed by a terrible sound and then all of them fainted and some more robots picked them up and walked away.

I know....the end is a bit weird but i have loadsa stuff to do...so I had to wright it quick. well i'll be back whit a new chapter asap. I hope i'll see you in the next chapter)

Thunder: \*wakes up and looks around\* Where are we?

Sutaru: I have no idea...

Thunder: well...we all are together...and that's some thing good, isn't it?

Sutaru: I think so...

Thunder: do you think it's too late? Is Anique dead allready

Sutaru: I don't know...but i think we are going to die pretty soon...

Thunder: then we will die together, all of us will.

Sutaru: If i could then i woud have hugged you.

Thunder: same here...

Sutaru: I don't want do die, not like this. \*starts to cry\*

Thunder: we still have a chanse...

Sutaru: No we don't, it's over. \*cries\*

Thunder: \*kisses Sutaru\* It's never over. we are going to fight, for Anique and for us.

Sutaru: you promis.

Thunder: I promis. \*smiles\*

Scamps: \*wakes up\* What the hell...did those stupid robots get me? How could they get me?! \*slams his head in the wall\*

Sutaru:...ooooook then...

Scamps: \*looks at Sutaru and still has his forehead on the wall\* what's the problem?

Thunder: This isn't the right time to be mad at each other.

Scamps: I'm not mad...

Shadow: \*wakes up\* Where did they go?! \*looks around\*

Sutaru: WHAT THE HELL!?!?! Are you here!?! I thought it couldn't be worse!

Shadow: Oh not you!!

Every one else: \*wakes up and looks around\*

Magneto: are we inside the base?

Mercury: We are really close...

Sutaru: close to what?

Mercury: Anique is inside this base...

Sutaru: but not in this room...

Mercury: maybe not, but in this base.

?????: So, you are awake, i think this worked better than a pathetic little girl as a bait.

Sutaru: \*looks at the person who had just talked\* No, please, not again.

Shadow and Sonic: Mephiles!

Mephiles: That's right. Looking for your friend i think...

Mercury: where is he!?

Mephiles: Somewhere he don't need you.

Mercury: No...you can't mean...Is he...

Mephiles: yes, he is dead.

Mercury: \*starts to cry\*

Sutaru: You disturbed, ugly, mean...

Mephiles: shut up or you will end at the same place as your friend

Sutaru: \*quiet\*

Mephiles: that's better. good girl, what do you say about getting your job back?

Sutaru: Never and ever.

Mephiles: If it's so... \*snaps his fingers and some robots appear\*

Robots: \*opens the door to the cell and lifts up Sutaru, Thunder and the others\*

Mephiles: \*starts to walk\*

Robots: \*follows Mephiles\*

Mephiles: \*looks back at Sutaru\* Sure you don't want your job back?

Sutaru: Yes I am! I would never join a team with someone like you again!

Mephiles: Of that's what you want, then I'm going to make your death extra painful.

Sutaru: \*looks away\*

Shadow: I told you this was a trap!!! Why does people never listen to me?!

Thunder: Because Sutaru didn't plan this!

Shadow: Do you think I'm going to believe that?!

Thunder: If you can't see it, then Sutaru is also here!

Shadow: oh....maybe you're right....

Thunder: Finally!

Sutaru: \*looks at Mephiles\* what are you going to do with us?

Mephiles: Don't you understand that, you silly girl. \*turns around\* You are going to die, all of you. and when you all are gone, then I can rule the galaxy, without you kids running around and destroying my plans.

Sutaru: but...

Mephiles: Shut up!

Sutaru: \*looks away\* yes sir...

(They walked through a long corridor, there were doors almost everywhere, Sutaru had to look away a lot of times when she could see who was on the other side of the doors, it was the other people from Mobius. Some of them were dead and some of them were crying. It was terrible to see, some people were even missing some body parts.)

Sutaru: \*a tear is falling down from her cheek\*

Mephiles: just wait, we haven't even got to the best yet.

Thunder: and we are not going either! \*transforms into a hedgehog and bites the ropes\*

Sutaru: Thunder!

Shadow: finally! \*uses chaos spear and kills one robot with it and cuts the ropes\*

Knuckles: \*punches the robot who is holding him and cuts the ropes on a piece of metal\*

Thunder: how do you like it now? Mephiles.

Shadow: come on then you copycat.

Knuckles: we are ready!

Speedy: I wanna fight too! let me go!

Kainou: \*makes the robot drop her and bites the ropes and kills the robot who holds Speedy\*

Speedy: thanks...i think...

Kainou: No problem.

Scamps and Tulpi: We want to kill some robots!!!

Shadow: NO! you just stay where you are.

Scamps and Tulpi: ok...

Mephiles: do you think you have a chance against me?

Shadow: yes we do. go ahead you creep!!

Mephiles: \*laughs\* this is gonna be easy.

Thunder: lets see.

Speedy: if we go together as a team, than we will make it!

Kainou: Come on you fake!

Mephiles: come on then!

Thunder and Kainou: \*attacks Mephiles and bites him\*

Shadow: \*shoots a chaos spear at Mephiles\*

Speedy: \*runs to Mephiles and starts to hit him\*

Knuckles: \*rund to Mephiles and punshes him in his face\*

Mephiles: \*teleports him self to the other side of the coridor\*

Mephiles: \*Shoots a beam at Sonic\*

Armi: Sonic! Watch out!

Sonic: \*jumps away from the beam\*

Armi: That was close.

Thunder: \*attacks Mephiles from behind and bites him in the neck\*

Mephiles: ENOUGH! \*shoots away some kind of energy ball that makes every one to fly in to the walls\*

Knuckles: it's no use...she has to get some time alone.

Sutaru: \*looks after Mercury\* ok...

Flamie: If we could turn back time...then we could stop all this from hapening...

Shadow: but we can't tur back time...this isn't a game.

Chemical: maybe not...but we are still game characters...
