Chapter 1 - Blank

1 - Blank

There's nothing there so stop looking.
The water's boiling over and the fire's going wild,
So come help me.
I could use a watchfull eye,
It's night and i'm starting to get nye.
So come and wake me up.
I'm lost in my dreams as you stare at the screen,
But it's still blank, what do you see?
Are you seeing me or someone else?
I'm dreaming, so come and wake me up,
Please don't let me drown.
I'm going under, going down.
I'm dead.
I could use a savior now.
Why didnt you catch me?
Free-falling from the sky
But you let me fall,
Like you let me drown.
Just staring at the blank and flickering screen.
So tell me, what do you see?
