## 1 - Chao Garden- Intro

**\*Waves\*** Hello! I am Chai. I'll be you're guide. As you already know, This is going to be multable chapters with the different Chao in each garden. Simple eh? I have a few memory cards with the three gardens. This is the introduction for our story. I swear, the other chapters won't be so... You know. Since this is based in the Chao Gardens, I will use no fowel language or bad terms... As if I ever *would*. I... Can't think of anything else. Um... See ya?

## 2 - Chao Story- Nutral Garden

Hello! It's I, Chai again! This is my first REAL chapter! Enjoy! I will start with the nutral garden, Alright? I will introduce each Chao, how I got them, and have them say a few things about them selves. Alright? Hear they are! Memory card One- Main.

Me (Chai)!: You know a lot about me already: I was bought from the Black Market by Tails when I was an egg. He has always loved me

Chapon: This is Chapon, my boyfriend. He belongs to sonic. He was one of the two eggs when you first start off and he is a hero chaos Chao. Do you have anything to say, Chapon?

Chapon: "I'm Hungry!"

Chai: You're always hungry **\*Tosses fruit at him\*** There.

Chai: That's it for the Nutral Garden, since this turned out so short, I'll name the Chao at school:

Sprit: As said, she is at school, so no comments. She is a normal hero chao with all dragon parts. She is going to rencarnate soon.

Mr. Jiggles: Dispite the funny name, he is Ghostie, the chao in the Hero Garden's Dad.

Cholly: Cholly is a shiney red chao, she is Ghostie's Mother.

Chai: That's it for this chapter! Next: The Hero Garden! Since there is only one Chao in there I'll have to think of some kind of special, any Ideas?

Chapon: **\*Shrugs\***

Sprit: Nope...

Chai: SOMONE has to have SOMETHING!

### 3 - My Chao- Hero Garden

Chai: Yup, I remember living here, the Hero Garden. Where is Ghostie...?

Ghostie: Hi!

Chai: **\*Turns around\*** Oh, Hello.

Ghostie: Transparent green Chao. Smile and happy-closed eyes. Still a little baby. Notin' much to say here.

Chai... What do you do here? There are no other Chao to play with or anything... Seems really boring.

Ghostie: Well, I swim and eat and race and hide and fly and dive off the diving board.

Chai: You said you race, have you ever won?

Ghostie: the first level of swimming... I think that's it. What about you? I've heard a lot about you from Tails.

Chai: Tails talks about me?

Ghostie: Yup.

Chai: ... Well, I've won all the races except the hero race, I'm not eligible to enter it because I'm a hero.

Ghostie: How many metals is that?

Chai: **\*Counts on fingers\*** I'm not sure.

Ghostie: ... Anything else?

Chai... Um... All right. If you could describe you're self, how would you?

Ghostie: Shy and maybe dis- Hey, what's that? **\*Ghostie points to something on the wall\***

Chai: Oh that's a camer-

Ghostie: Ahh! **\*Hides behind pillar\***

Chai: ... Camera Shy? **\*Comes behind pillar\***

Ghostie: Yah...

Chai: \*Stop watch beeps\* I have to go

Ghostie: Bye! \*Waves\*

\*\*\*\*\*Waves Note\*\*\*\*\*

Having fun? Well, I hope this is not TOO short. I swear, I'll introduce all the other memory card chao than I will start a REAL story. Until that time, it's a mystery!

## 4 - My chao- Final chapter of memory card One!

Chai: You know, this job has its downs. I now have to interview Shadow, one of the most evil and wicked little chao I've ever seen... Takes after his father. I suppose all dark Chao are like that, though. I don't know how they can live there. It is damp and cold and that blood stream is just CREEPY! \*Shivers\* How do they do it...? \*Nervously descends down the dark garden steps and is about to enter the garden when she hears a creepy, bone chilling voice. \*

Chilling voice: Who are you?!

Chai: I'm Chai, from the neutral garden. Tails has sent me to talk to you.

Chilling voice: **\*A shadowy figure appears from out a tree\*** Than what does he request?

Chai: Shadow, I need to ask you a few questions for a story.

Shadow (Shadowy figure): shadow chao, green spike strips with blood red tips, temper problem... well, actually not really, but he is very grumpy.

Shadow: What sort of... Story?

Chai: An autobiography of all the chao.

Shadow: Very well than... \*Shadow steps foreword\*

Chai: \*flips through note pad\* Well... Have you won any races? (Says nervously)

Shadow: **\*Glares\*** I have a badge, what do YOU think.?!

Chai : \*looks to badge\* (To self) Running badge...

Shadow... Well?

Chai: ... Oh! D-D-do y-

Shadow: Spit it out child! (Says irritated)

Chai: Do you ever wish to have a family or friend?

Shadow: Why, not like you'd live here!

Chai: True, but I'd visit if someone told me I could.

Shadow: ... **\*Arranges spikes\*** Get on with it.

Chai: I think that is it...

Shadow: ... \* waits\* You can go now!

Chai: See you later than...

Shadow: I hope not...

Wave's note:

I'm done with memory card one! Now for memory card two!
