**Chapter 1 - With Dragon's Honour**

**2**

# 1 - With Dragon's Honour

I was afraid  
so afraid  
that I'd lose my mind  
and go insane

I was trapped  
to a cage way too small  
for my soul  
so wild, wanting to wander

My wings were chained  
to my back and sides  
with barbed wire  
so I couldn't spread them  
and fly away  
from my pain

My jaws were tied together  
so I couldn't scream my rage out  
neither bite my torturers back  
I sure wanted to

And my claws were cut  
so they wouldn't hurt  
when I slashed

Then, one very dark night  
when I was  
in the deepest kind of pain  
I saw a little light  
and it was you  
at the very bottom  
and right besides me

You were hurt  
but you released my jaws  
even though  
I would have bitten you

But I didn't bite  
I thanked you  
and healed your wounds

as well as I could  
and you healed mine

I took you on my back  
and carried you upper  
but we didn't get out  
since there was a cliff  
a very steep cliff  
which I couldn't climb  
I was ready to give up  
but you didn't

You took a grip of my wings  
and started releasing them  
you got wounds from the barbed wire  
but you didn't stop  
it took very long  
but you got me free  
and at the same time  
yourself very deep to my heart

I spread my wings  
and we flied out  
but we didn't make it to the hills

Out torturers shoot us down  
I hit the ground  
and you got hurt again

I could have revenged that  
thanks to you  
I could have bit them  
or scorch them down  
but I didn't

They don't matter to me  
but you do, heck much  
you released my wings  
now I've taken you under them  
you released me  
now I'll stand by you  
protecting you, my friend  
for forever.
