I just wanted to express some feelings, so I wrote this poem..

Chapter 1 - Your voice in my head

2

1 - Your voice in my head

I hear your voice in my head
telling my thoughts

It tells everything I think or write
but only if it's not about you

If I think "I love you"
I won't hear a word in my mind

'Cause that voice doesn't agree,
you don't love me back

But if I think "sorry, I don't love you"
the voice does say it

It says things it'd want to
or doesn't care about
that I've noticed

I can't blame you of not loving me
and I don't want to, either

Your acceptance is all I need,
all I could wait for

And I'm very fine with it
so you can be too
