I really like how this came out! I tried to think of a lot of different ways to view blood, and I think it worked.

1 - Blood

Blood

Attractive. Addicting. A drop of crimson; a ruby gem. Watch it flow down her sweet face. The **blood** on your hands reflects off the knife. **Blood** brings both life and death. Poisoned, it may keep you alive, but it's slowly killing you from the inside out. It boils with rage and freezes with fear. Six quarts of vitality. It carries all the answers but may hide them from the seekers. A picture in itself. Making everybody unique, yet all the same. Your heart **bleeds** with misery. Your eyes **bleed** with a bad image. It cleanses and makes a mess at the same time. A salty taste. Hidden deep, yet right on the surface. A thrill to some, disgusting to others, *beautiful* to me.
