Cosmo's last Moment

From when I first came to be,
I knew I was different,
I wanted to be like you,
But I couldn't,
One didn't trust me,
Many of you did,
Then I met you,
You cared for me,
You wanted to be with me,
Then came my destiny,
You didn't want to let me go,
But you knew you had to,
So I say one last thing to you before I go,
And please don't take it for granted,
I love you,
And I always will.
Remember me,
And I'll always be with you till the end,

I leave my seed,

Take it and we'll always be together.

My child,

You're a father,

I'm a mother,

Please make her happy,

And thank you,

For being my friend.

This is dedicated to Cosmo the Plant, On the episode of Sonic X, May 29th, 2006, she fused with the planet and immobilized Dark Oak so Tails could fire the Sonic Cannon.

I had literally nearly cried when she had said her final good-bye. I am now making a fan-fic to continue on after Sonic X.

This will feature her child and Tails becoming a father. Please, help me pay tribute to her.

Cosmo didn't deserve this and yet, it was her destiny to do so.

I mourn her as well as Tails, we both liked her.

Thank you
