**Chapter 1 - Rich but social poor**

## 1 - Rich but social poor

What could I do  
To express my feelings for you?  
Say it clear and loud?  
No, I don't want a hysterical crowd  
Give you flowers undercover?  
No, you'd not know that I was your lover.  
Write a poem about how great you are?  
No, I can't spell to anything but "car".  
Maybe sing a song when you open your door?  
No, I have never learned a song. I'm too poor.

I've got loads of money, gold and expensive stuff.  
But that is simply not enough.  
I need love from someone close.  
Rich or friends? It's not hard to choose.  
I'd give up everything, yes it's true!  
Just to be with you.
