*Okay this is kinda scary, I keep going through my poetry and find stuff perfect for Kagome and Inuyasha. x.x; Dun ask. I'm just a hell of a lot like Kagome okay? Heavy heartbreak and all.*

**Chapter 1 - Lovely Night**

**2**

# 1 - Lovely Night

A teardrop from you lovely eyes,  
A sign of love that passed you by.  
That dream you dream throughout the night,  
And an anilazation proving you right.

You feel for her complete love,  
And then all of a sudden appears a dove.  
You stare into her penetrating eyes,  
As you and her create new ties.

Throught time and space and in your dreams,  
What everyone sees is not how it seems.  
The ridicule from all around,  
Is just like the false love with her you've found.

You both gaze into the night sky,  
As the stars pass you by.  
And in the midst of it all the two kiss,  
And at the same time you make a wish.

And though already your wish be true,  
You make another to come true too.  
My heart is slowly breaking,  
Because I'M the one that should be with you.

I'll never forget your eyes, your embrace, and your touch.  
For what I have for you is none other than true love.  
She's the kind to break your heart just because she can,  
Then where will you be in this land?

I'll be here, waiting patiently for you,  
Because what what we have is true.  
I'll never hurt you like that you see?  
We are the one's who are meant to be.
