Just put my feelings into words here, about loving someone more than life itself.

1 - Love You So Deep

Nothing touches my heart the way that you do,
And no one makes me feel quite the same as you.
No one says those words that make me fall to my knees and cry,
Like your voice in my mind making me wonder why.
I love you so deep, so deep inside,
With you I can sleep all through the night.
I love you so deep, so deep inside,
With you I can sleep all through the night.
No one looks at me the way your eyes seem to catch mine,
And no one makes me turn around and smile.
No one makes my heart go round and round,
Like your hand in mine making me wonder why.
Deep and so deep,
Deep in my mind.
Deep and so deep,
You are so kind...
