**Chapter 1 - All My Love**

# 1 - All My Love

Miles from sleep,  
Sailing on a stormy sea of my emotions,  
Looking for a distant shore,  
Somewhere there'll be no more sad memories.  
Remembering a game,  
Where I bet all I own for a life,  
Staked my lonely soul,  
For a chance to be told that you'd stay.  
I wasted all my love on you,  
Cried a lifetime's tears for you,  
Wore my heart out wanting you,  
Yeah, I wasted all my love on you.  
You weren't the kind,  
Who makes a promise for all times and stays true,  
You went like the rain,  
I won't cross the same ground again.  
I need something new,  
I'm left looking at the past.  
Tired of thinking that's the last time I'll try,  
Save my breath for a final sigh,  
And a year wondering why...  
I could be so wrong.
