*Woot! I found my old stash of poetry! Here's a little one, about how I still loved someone, even though they didn't.*

**Chapter 1 - Dreamer**

## 1 - Dreamer

Last night I dreamed you still loved me,  
You seemed so happy just like before,  
But it was just a dream, it don't mean a thing,  
Cause I know you don't love me anymore.  
And though everything seemed so real,  
It was all too good to be true,  
Last night I dreamed you still loved me,  
Just as much as I still love you.  
I think it must have been in the winter,  
There was fresh fallen snow on the ground,  
But it was just a dream, it don't mean a thing,  
These days it's cold all year round.  
Last niht I dreamed you were still with me,  
You were still my love and my friend,  
But it was just a dream, it don't mean a thing,  
I know I'll never see you again.
