Chapter 1 - Everything

2

1 - Everything

That day I met you all my fantasies came true,
And then we both knew that we were meant to be,
One day people will see that I am good to you and you to me,
Everything is fine, everything is as it should be.
Everything was so black and dark,
Then you were there, put your hand into mine,
"Everything is gonna be alright." you said,
And you were so right.
Everything in my life was too painful to describe,
Then you held me tight, and everything became just fine,
Everytime I see you I feel that I can go on one more day,
And I'm glad you're by my side.
But whenever you're not near,
I start to remember my fear,
And I don't know if I can go on.
