## 1 - Secrets

We can Waltz around the floor,  
Your body close to mine,  
My skin's thick enough to hide,  
The secrets deep inside.  
Just don't put your face to mine,  
And gaze into my soul,  
You just might catch a distant light.  
And then you'll know all my painful secrets.  
Shining through my eyeys.  
My painful secrets,  
Shrouded in the midst of lies.  
Just don't look into my eyes,  
And read whats in my mind,  
You might just catch a fallen star,  
And take a look at who we are.  
You'll find me hurt,  
Even crying.  
But I don't want to show that side,  
But I don't want to end up lying.  
Just don't look into my eyes,  
There's something there I don't want you to find.  
Though only then will you find all my secrets.
