**Chapter 1 - Out Of Time**

**2**

## 1 - Out Of Time

I crossed off another day,  
In the countdown of my life.  
You've got to find a way to keep this thing alive,  
You've got to come around.  
Stop playing with my heart,  
Put your feet on the ground or make a new start  
You're out of time,  
You're out of line,  
You're out of mind,  
You're out of time.  
You said it was all through.  
You'd thrown away your past.  
But the only thing that's new,  
Is the tale you told me last.  
Now I won't hear anymore of your alibi's,  
I'm gonna shut the door on your excuses and lies.  
The curtains are coming down,  
On this play that's over run,  
You've mised the final call,  
And now this scene is done.
