When Jordan comes to the Sohma's house, Yuki is overwhelmed to see his twin sister again. But the Yuki fan club has something planned for Jordan, so Kyo is put in charge of protecting her. Sooner Kyo falls in love with her even though she's blind. Can they keep a relationship if Yuki doesn't know? Jordan feels guilty Yuki has not a clue, Shigure tries to make-out with Jordan, everything is chaos! [Oh, and Shigure succeeds at one point!]

With Jordan here, things will change, Yuki told the three. Tohru was already aware of these *changes* Yuki had in mind.

We must be less violent, no more fighting. Jordan agreed to have a nickname of Harp. Shigure, no acting all pervert like with her. Tohru, Jordan is going to help cook, clean, do laundry ect& Kyo, no hurting her! She is VERY strong yes, but no fighting with her! Yuki yelled in Kyo's face.

I think I get it damn rat! Kyo screamed back.

Excuse me& Did I hear& fighting, Came a soft voice. Everyone looked over, and saw Jordan in a long nightgown. Her hair was in a braid, and she was about to cry.

Sister& Yuki calmed her down by holding her close.

I hate fighting& Jordan replied, Yuki, you would be the last person I thought would ever fight.

I am sorry, Yuki told his sister about to cry with her.

Damn rat! You're not sorry! Kyo yelled. Jordan was stunned by the anger in Kyo's voice, that she flee the house, and ran thorough the woods.

Stupid cat! Look what you did! Yuki yelled at Kyo.

If you think it's heart-breaking, you go find her! Kyo screamed back. No Kyo. You made a mess in the liter box, you clean it, Shigure calmly said trying to sound convincing.

Fine! Kyo ran out the door.

It's been 3 hours, Tohru told the others.

I know, I'm worried too, Yuki told Tohru. Just then, Kyo stood in the doorway holding a girl beat-up, covered in mud, and bleeding badly.

Kyo-kun, whatever happened? Tohru asked him crying.

A bear attacked her. I didn't find her, until she was almost dead, Kyo replied.

Oh no, Ayame walked into the room, what happened to her? Ayame stared at his almost dead sister.

We need to call Hatori, Tohru panicked as she dialed the number.

After Hatori's Visit:

She will be alright, she just suffered an attack, Hatori told the worried five.

Thank god, Yuki and Ayame exclaimed at the same time.

A couple of days later:

Sister! Were you all right!? Yuki and Ayame panicked at the same time. Jordan looked up from braiding her hair. They both saw the horrible scratches on her face, the bleeding, and the bruises.

Yes. I am okay, she told the two as she continued to braid.
That damn cat didn't hurt you, did he!? Yuki yelled.
Yuki-san, he wouldn't do such a thing. It was a bear, Jordan whimpered starting to cry. Yuki was frozen by the words, he wouldn't do such a thing. Ayame calmed his sister down.
At least you're okay.

The Next Day:

As Yuki came down the stairs, he tripped over something.
Ouch! the voice reacted. Yuki looked down and saw his princess of a sister.
Jordan, why are you on the floor? Yuki asked paralyzed.
I did not know where to sleep. Shigure offer for me to sleep with him& but I refused the offer, Jordan told her almost frozen brother.
Yes. But why so many blankets? Yuki asked.
I slept outside at first with SO many blankets, but Kyo moved me. I even felt a goodnight kiss. He is SO kind, Jordan told her brother which almost exploded.
KYO! Yuki screamed waking everyone up.
Yuki, must you scream so early? Shigure asked yawning. Then Kyo walked into the room, and the two boys started to fight yelling at each other.
Boys. Please stop, Jordan was almost in tears, but she didn't stop&
