Chapter 1 - I need, i miss

2

1 - I need, i miss

When i miss you, i need you
while i break down crying
I need the one i love, i need him now
i need him the most when he's right next to nothing
i wish he would touch me and return the feelings
but i don't think he will, but i love him anyways
My dears, always keep this in mind
if you ever fall in love, remember love is unconditional,
it loves no matter if the person loves you back. Love loves pain and heartbreak, but keep going on to
show to love, you can survive, as long as you have that special someone.
