Chapter 1 - born to die

2

1 - born to die

i watch in silence
my memory a blur
everything so fast
creation
destruction
i rise from the earth
birth from the ground
death from above
i live to serve
i die to protect
and roam this world in search of a purpose
to live is futile
unless your remembered
to die subtle
or loud in an explosive cry
all will perish someday
and return to the void
where it was created.
