## 0 - What is NExT Exam? LNMC

India's medical education landscape is on the brink of transformation with the impending National Exit Test (NExT). This standardized exit and licensing exam aims to replace NEET PG and FMGE, offering a uniform evaluation for graduates, fostering consistency and fairness. NExT streamlines licensing, especially for foreign graduates, creating an efficient transition from education to practice. While challenges exist, the National Medical Commission is working to ensure a seamless implementation. NExT emerged as a groundbreaking initiative, promising to revolutionize medical education in India, creating a standardized benchmark for competence and knowledge. Stay tuned for updates as NExT unfolds, reshaping the medical education landscape.
