1 - ONE

God Is Good

The world hates me it really does
Sometimes I feel like its crushing down
On me from above
It s Evil but I can handle
I will not give in to satins pull
I trust God,
Even in a world full of Hate and Swearing
I trust God
When other people give in
I stand Strong,
Speak my mind
And don t care what others think of things I like.
I realize that my prize is in Heaven,
I will get there someday
But NOT TODAY
OR TORMMORW OR THE DAYS AFTER THAT!

2 - Nothing

This is really nothing

Just testing the stupid computer
