**Chapter 1 - Life**

## 1 - Life

Sometimes it's hard to live  
lots of people live for the moment  
I'm not like that  
I care,  
I love,  
I don't want to sleep  
for fear of whats to come  
If I wake up,  
If I don't  
One thing hurts  
Another feels good  
life's confusing  
life's comforting (in a way)  
I live,  
I love,  
I laugh,  
but I hurt, also -axelalive

Sometimes things are bad but remember everyone goes through goes through rough times it might be your turn, your turn will end and most likely soon so don't give up for me. Just remember someone cares about you. -I Do- And your future husband/wife does too. Don't I repeat, don't give up on life. Just remember even if you don't know who I am care what happens to you so do me a favor don't do anything stupid.
