Chapter 1 - Miroku and Kagome	2
Chapter 2 - All Alone	3

1 - Miroku and Kagome

When they all went to a mineral spring Kagome and Miroku went to see a friend of theirs they had met along their journey that lived nearby. Before they got there Kagome asked Miroku if they could ever have anything. He said he could not do that to Inuyasha and then she explained how she knew he did not love her and he said well then we might have something in the future.

When coming back from their friends they stopped off to get something to eat. A telegram had come for them it said they had encountered a demon and to stay there for the night. When they got a room at the boarding house they only had enough for one. They kissed and Kagome said she would never tell Sango as did Miroku about Inuyasha. But all of a sudden as soon as they started kissing again Inuyasha walked in. He said that they came to see them. He was very sad he talked to no one for 3 days he got food and went away. Inuyasha had a broken heart.

2 - All Alone

Inuyasha had loved Kagome. But now, he would have to do all he could to get back at her. He left for about a month and they didn't see him for all that time. They were very worried about him because Miroku got a strange feeling something was wrong. When they got to the city of the flamed ogres. When they went in they saw a shrine. No one was in the village. They went in and what they saw made Kagome break down and cry. There was Inuyasha on the floor with great wounds and dead women all around him. He had stumbled here after a clash with a demon to get healed. He was mugged and fought for hours. When it was over his wounds had gotten worse but he killed everyone.

Kagome went to Inuyasha and cried he woke up. K-Kagome, is that you? Oh Inuyasha! Why did you leave us? Why do you care? It's Miroku you love. That backstabbing bastard! No Inuyasha we do not love each other. We thought you did. It was just a way of me getting back at you for loving Kikyio. I do not love Kikyio. Yes you do. When you broke Naraku's shield it was because he had insulted her. No I was thinking of you and how you were like her. Oh Inuyasha!

Inuyasha and Kagome were together once again but Miroku still had feelings for her. He would stop at nothing to get Kagome. Even if he had to kill Inuyasha.
