The titans stared up at the tall boring building in front of them.

Metal: MAN! I HATE SCHOOL! Who knew super heroes had to go to school?

Samara: I did! Batman was in my dad's social studies class. ^^

Metal: Shut up Samara.

Samara: *shuts up*

Terra: *sighs* Great... now we have to wait another 180 days until we're free!

Kiikii: Wath? I thenk skuul is fuun.

Greelantern: Don't worry Kiikii, someday I'm sure you'll grow up to be one heck of a great english teacher.

Metal: I thought Greenlantern was like an adult...

Greenlantern: I got held back -.-

Jinx: Ok, lets just get this day over with.

The Teen Titans entered the building. Right away, Raven goes to her locker and stares at it, Ladybug steps on someone's gum, Wheel_Jack struggles with his locker combination, and Terra gets trampled by a herd of geeks.

Terra: Perfect...

Raven: Azerath metrion zinthos. *locker opens*

Wheel_Jack: *punches locker*...Raven a little help?

Saruu: Um, Zafara why did your backpack just move?

Zafara: Uh.... heh, it didn't *kicks backpack*

Zafara: Heh, uh did I just hear the bell ring? *runs off*

Jinx: Omz I hate school! I heard that Mrs.CIAisthebest is the worst teacher!

Blackfire: Really? I wish you had my teacher. I heard, Mrs.HoNeYistheworst is the best ever!

Jinx: Quit bragging. -_- Hey, Raven are you coming?

Jinx looked over and saw Raven staring into Zafara's locker at all the cybunnies.

Jinx: Omfz Raven, not agian.

Jinx grabbed Raven and pulled her into their home room class.

Mrs.HoNeYistheworst: Who wants the main lunch? *counts hands*

Meanwhile

Mrs.CIAisthebest: Who wants lunch? WELL TOO BAD!

Jinx: Told ya she's a fruit.

Raven: Oh well, I don't need a lunch. I brought pie. ^^

Continued Day 1

Later...

Zafara: Ring Stupid Bell Ring! *bell rings* YAY! Science!

Saruu: NOOOOOOOOOOOOO! NOT MATH CLASS! YOU CANT MAKE ME GO THERE!!! *sobs* Zafara, Jinx, Raven, and Metal headed towards science class. Blackfire, Terra, Samara, and Saruu went to math and suffered greatly. Greenlantern, LadyBug2003, Wheel_Jack, and Starfire went to Study, and BeastBoy, Cyborg, Froglover, and Kiikii went to english class.

~~Science~~

Science teacher: Blah blah blah electrons blah blah blah... Zafara: What potions do you mix together agian? Jinx: Potions? What the fruit are you making? Zafara: A clone of a cybunny. ^ What are you making? Jinx: Hair gel for my bad hair... Metal: YES! MUWAHA! My master-peice is complete! I made a tiny peice of steal! Jinx: What's the point of these science projects any way? *Stares at the gel she made* Raven: Who cares? *uses a bunch of element thingys to make a pie tin thing* Jinx: Well, I mean, like why are we even doing this? Raven: Who cares? Jinx: But, like, the science teacher never told us we could use this stuff that we found on his desk to make whatever we wanted. Raven: I SAID WHO CARES OK? Jinx: o.o; ~~Study~~ Starfire:... Greenlantern: This sucks. Wheel_Jack:... LadyBug: OMFZ IT'S THE FIRST DAY OF SCHOOL! WHY THE FRUIT DO WE HAVE STUDY? WTF ARE WE GOING TO STUDY FOR? Math Teacher: Blah blah blah triangle blah blah blah...

~~English~~ Froglover: Oh great, I'm in your class? Kiikii: Yeh! Ut's gon to be relly fon! Froglover: I ment that in a bad way... BeastBoy: How the hell did we get put in the same class as these two? Cyborg: Bad grades... *shrugs* BeastBoy: Oh... English Teacher: Blah blah blah adverb blah blah. Ok now that we've reviesed let's have a quiz. BeastBoy: A QUIZ? Kiikii: Wath? Alredy? Yey! Continued Day 1

~~Hallway~~ Terra: SARUU YOU'RE ALIVE! Saruu: Yea, well, I heard the bell ring. No more math! Blackfire: *yawns* So what did we learn in math agian? Terra: Something about a triangle. Samara: Ah, the teacher talked about a triangle for almost an hour? Terra: No, he adventually got to squares too. Blackfire: You actually listened? Terra: No, I fell asleep too. I had to ask other people. So how did english go? Cyborg: She made us take a quiz on the first day of school! And she called me Metal Man! *cries* Oh yea, I got a C-... BeastBoy: D-Froglover: F for Frog! ^^ Raven: Ah... Kiikii: I gut an A+ ALL: WTF?!? Terra: Uh, yea, so what about science? Zafara shoves a clone of a cybunny into her locker with the other ones. Zafara: It went well. Metal: Yeah, we all got a detention for playing with the teacher's stuff. Jinx: We wouldn't have gotten caught if Raven didn't-Raven: FOR THE LOVE OF ZEUS, WHO CARES? Jinx: Um, nevermind... Terra: Ok, so how did Study-LadyBug: Don't even ask. Terra: o.o; Then the bell rang agian... ALL: IM LATE FOR FOREIGN LANGUAGE! (Kiikii: Im lote fur foren lungage!) then they all ran off in different directions.

~~Spanish~~

Terra sat in the back of the classroom and dies of boredom. BeastBoy: So tiiiiiiired! Can't concontrate... *falls to the ground* Cyborg: Espanol STINKS! Sorry, I don't know the spanish word for stinks. *looks through notes* Spanish Teacher: Blah blah blah hola blah blah blah...

~~French~~ Kiikii: ust cam sille mu Jinx: Omz even in french she doesn't talk right. Then Jinx raises her hand.

French Teacher: We? Jinx: Can I go to the bathroom? French Teacher: Only if you say it in French. Jinx: *whispers* Raven, what are the french words for can I go to the bathroom? Raven: Who cares. Continued Day 1

Jinx got another detention, this time from the french teacher.

Jinx: Way to go Raven.

Raven: Flabla

Lets just say, the titans weren't surviving their first day of school as planned. After Spanish class, Terra tried to run away from school. She ran out the building and flew away on a rock. Jinx was so fed up with her gay teacher, that she used the left over science matterials that she stole from science class, and made a "Stink & Stick Bomb" and put it under the cusion on Mrs.CIAisthebest's chair (just for you, Jinxy). After Raven had english class, took the quiz that BB, Cy, Kiikii, and froglover took, she was so pissed at her grade that her strange poweres caused all the lockers in the hallway to explode.

Metal: That wasn't good ...

Raven: Oops...

Zafara: Where did my cybunnies go?

Suddenly, a girl went running down the hallway screaming. She was being chased by a mutant cloned cybunny alien thing.

Zafara: Uh, oops. Looks like I mixed the wrong potions together...

Starfire hit the mutant cybunny with her starbolts but the cybunny absorbed them and became stronger. Starfire: O_O sorry...

The monster got mad and leaped toward them, but then some one threw a penny at the cybunny's head and the creature died.

Havin: I knew it. They thought I was crazy, but I knew lunch money could save people's lives! Hahaha! Wait 'til I tell them this great news!

Raven: Havin?

Havin: COUSIN! *turns towards Raven* Sorry I'm late. I overslept. But guess what, Ravey, I'm in all of your classes!! (Just for Puchiko-Chan) So Raven, where are we going next?

Raven: Ah, we're skipping school. Going to Azerath. We'll be back for lunch. Cya Havin: Yippy! That sounds like fun!

Meanwhile ...

~~GYM~~ Samara: Where's Terra? Blackfire: I think shes escaping... Suddenly a huge rock fell next to them. Saruu: You came back? You're crazy! You could've been free! Terra: Not if a crazy, angry mod of teachers are standing right outside. Saruu: Oh... Terra: So ready to rock? Samara: Haha! Bad joke...-.-Terra:...Ok, wanna race eachother? Saruu: Sure! Terra got back on her giant rock, Blackfire flew, Samara jumped on Terra's rock and Saruu jumped on Blackfire's back.

Blackfire: -_-

Samara: Teddy says your rock is cute, Terra. ^^

Terra: O.o

Samara: Ah, love at first sight.

While Terra was distracted thinking about pebbles making out, she accidently made them crash into a wall. Blackfire and Saruu passed them.

Blackfire: Muahaha I'm winning.

Then Saruu jumped off of Blackfire's back and ran past the finish line.

Saruu: Muahahaha

Blackfire: Damn you...

Terra: OW! My leg! Teddy's bitting my leg!!

Samara: Aren't rocks cute when they're angry because you smash their friends into walls?

~~Tech Ed~~

LadyBug: Yes! I'm almost done with my bridge model.

Greenalntern: I'm carving a puzzle. So far, I made one puzzle peice ^^

Metal: But it's already been 40 minutes and all you were able to do is one peice?

Greenlantern: Hey! Its hard when you're only depending on a little green ring.

LadyBug: So Jinx, what are you make- Jinx is that a-

Jinx: WOODEN SPORK! Buahahaha!

LadyBug: N-nevermind, I won't bother...

Continued Day 1

The bell rang agian, Lunch Time. Havin and Raven returned from Azerath.

~~Cafeteria~~ Wheel_Jack: YES! My favorite period! Metal: So how was Azerath? Raven: Fine... Jinx: Muahahaha! I get to use my wooden spork! Johnathan: Hey can I use a spork too? Jinx: J-JOHNATHAN!?!?!? Johnathan: What? Havin: What are you doing here? Johnathan: Uh, I go to school here... Havin: Oh. Froglover: Guys look! The science teacher let me have a pet frog! ^^ Wheel_Jack: EWW! I'm eating get it away! Zafara: I think its cute! ^^ Metal: Right ... Jinx stares at the green stuff on her plate. Terra and Blackfire trade, McDonalds for BurgerKing (Blackfire gets the BurgerKing of course ^^), Froglover feeds all of her food to her frog, Cyborg eats some ham, Metal forgot to get a lunch and chews on a peice of steal, BeastBoy refuses to eat meat but barfs when he puts a peice of spinach in his mouth, Kiikii eats some brown stuff she found in a toliet, Zafara eats kitty food (cuz shes a kitten or w/e), and Raven starves. Raven: Sooo hungry! Jinx: I thought you brought pie? Raven: I did. It tasted good. Jinx: Shh! Not now, Johnathan's about to tell me something! Jonathan: Hey, Jinx, can I borrow a dime? Metal: Hey, What happened to Robin? Terra: Hmm, I think he got hit by the bus while waiting at the bus stop. Froglover: You mean the bus didn't stop for him? Jinx: Of course not, why would a bus stop for a boy wearing tights? Froglover: Yea ok nevermind... Metal: *chewing on steal* hey do any of you have a dollar? Kiikii: I du. Metal: Well can i use it? Kiikii: Nu, I nead ut. Metal: -_-Havin: You can have my dollar. Metal: Ok, thanks. Steal isn't good without a soda. While Metal goes to a soda machine, he trips and his peice of steal hits Kiikii on the back of the head.

Terra jumps up and screams, "FOOD FIGHT!"

Froglover: Um, Terra steal isn't food...

Terra: Who cares? *picks up Froglover's frog and throws it across the cafeteria.

Terra: Muwahahaha.

Starfire: What is this "food fight" ?

Blackfire: Muahaha, It's something humans call "fun" !

Starfire: OOOOoo like a game? How do I play?

Blackfire: Throw food and junk at people!

Starfire: But isn't that mean?

Blackfire: Nah, they like it.

Havin grabbed a chunk of Cyborg's ham threw it at someone's head.

Cyborg: HEY! I was eating that!

Starfire hit Wheel_Jack in the face with apple sauce, Zafara flung Cybunny food at everyone, Blackfire squirted everyone with mustard,... Starfire: MUSTARD!!!

BeastbBoy threw his spinach in someone's face, Jinx grabbed a pile of sporks and tossed them at everyone, Jonathan flung pickles at people, Froglover searched for her frog, Greenlantern shoved raisins in people's faces, Raven eats a peice of pie that was thrown at her, and Metal struggled to make the soda machine accept his dollar.

Metal: GIMME A SODA DAMMIT! *shoves dollar in the machine*

Principal: WTF? STOP IT NOW! ALL OF YOU! GET TO YOUR NEXT CLASS! NO MORE FOOD FIGHTS!

The titans walked out of the lunch room. Jinx shoved a handful of fries in her pocket then caught up with Johnathan and started flirting.

Samara: Well, that went swell.

Saruu: Oh great, Social Studies next -_-

### 11 - PART TWO chapter 11

#### PART TWO ~years pass by and now the titans are starting their first year in Viagraville High~

Raven poured some cereal into a bowl and then dug through it to try and find the secret prize inside.

"Mom, I don't wanna go to high School. It sux my tux man." She whined.

"Shut up and eat your breakfast =.=" Raven's mom said while drawing funny faces on the pictures in the newspaper with a marker.

"Well flabla to you too!" Raven started to fling her cereal pieces across the room.

"Holy Jebus Raven hurry the fook up! You're gonna miss the damn bus!" Mommy kicked Raven out of the house and made her walk all the way to the bus stop where other kids where waiting.

"This sucks man! You can't make me go to school =.= no prison can hold me! Bwahahahahahahah hi Raven." Terra waved from a distance and then poked Blackfire on the shoulder. "Raven's here!"

"Uh-huh." Blackfire said not daring to take her eyes off of Ron who, by the way, was wearing the most spiffiest pants in the world.

"The bus is here!" Ron pointed to a yellow speck way off in the distance.

"Oh goody. I can't wait -.-" Terra sighed. The tiny yellow speck became bigger and bigger and bigger O\_\_O until finally it arrived at the bus stop and let them on. The bus driver was sipping his coffee and playing with crossword puzzles out of the newspaper. (Man you gotta hate it when they do that -.-) The bus was full of screaming and yelling children all picking their noses and singing Barney songs and making exploding sounds when they pretended to be shooting each other with invisible rocket launchers.

"I hate chitlins." Raven hissed at any kid who came too close to them.

"Don't worry, Raven. One of these days we'll have our revenge." Blackfire shoved two chitlins out the window of the bus so that she and Raven could steal their seat. For a while they sat in silence, staring at all the squished bugs that flew into the window until a girl in the seat behind them tapped their heads.

"Must people always be messing up my doo?" Raven fixed the piece of hair that fell out of place when the person tapped her head.

"Hey, are you losers new to Viagraville High?" The snotty oogly girl asked them.

"Such a kind welcome. Yes we are, is that a problem?" Blackfire stuck her tongue out at the girl.

"Tfff, I bet you guys don't even have driver's licenses yet. Only the cool kids have those." The girl waved her drivers license in their faces. Blackfire grabbed it and threw it out the window of the moving bus. "HEY!! WTF!!" The girl screamed.

"So, only the cooooool kids have licenses huh? Sure I could do that." Raven drifted off in her own dream world.

"Your gonna pay for throwing my driver's license out the window!" The girl lounged at Blackfire and tried to punch her but at the same time the bus came to a screeching stop and sent her flying into the seat in front of them and knocked her out.

"Now who couldn't see that coming?" Blackfire and Raven stepped over her to get off the bus. Once they entered the school they were forced to go to the cafeteria and listen to many boring speeches by the principal and other people who are suppose to be important in some very complicated way.

"Hesho kids! Welcome to Viagraville High! These are the rules of the school so listen to them carefully or else I'll hafta give you all detentions yay! ^^ Alright, First of all no one is to put stink bombs in my office. There is no rule that says you can't put them under your teachers desks :D but no not in my office. Second, the teachers lounge is for teachers only and the Principal's bathroom is off limits =.= hiss. Third, if anyone disses the power of the oreo SESPENSIONS WILL BE HELD and maybe even death! Fourth, don't even think about going near my Wendy's. Besides that everything else you do I could completely care less about.

Now, from time to time there will be some totally and completely random events popping up that we will force each of you to participate in for no apparent reason and it doesn't matter if you're bad at the event cuz we never win anyway. Also, for lunch everyday we serve some old dried up healthy food that we found stored in my grandma's apparentment. We hardly ever serve yummy junk food and if we do it's either burnt or uncooked. So feel free to bring your own lunch to school if you can't handle it. Or better yet don't come to lunch at all.

Well, that's all for now. Oh, and we couldn't find anyone who was willing enough to be a tour guide for you guys so you'll hafta make your way around the school on your own. If we're lucky you'll get lost. See you later!" The principal and the other some-what important people kicked all of the kids out of the cafeteria and left them on their own to die in this scary crazy lunatic high school.

"Okee what now?" Blackfire looked around the hallway wondering where the frack they were suppose to go.

"I dont know. But this place freaks me out o.O" Terra said staring at all the pictures of Michael Jackson hanging on the wall. Suddenly, someone jumped up adn grabbed them from behind.

"OOGA BOOGA BOGGA!!" A voice shouted.

"Isnt this great guys? Another school year...another school to blow up...more teachers to piss off. We are gonna own this place dammit. Ahahahaha-Oh yeah Raven the nurse wants you to go to her office." Jinx said wrapping her arms around Terra and Blackfire.

"o.O Why?" Raven stared.

"I dunno @\_@ Something about seeing a therapist I think." Jinx turned to Terra and Blackfire who she still had her arms around. "So then. Lets go check out the boy's locker room shall we? ^.~" She dragged Terra and Blackfire off before they could respond. Raven shrugged and went on her way to the nurse's office. Suddenly, she heard someone shouting at the main office place thing and ran to the rescueeeee. A teenage verson of Marilyn Manson stood there screaming at the office lady while pointing at a roll of toilet paper he had in his hand.

"YOU CALL THIS DOUBLE QUILTED!?! YOU OUGHT TO BE ASHAMED OF YOURSELF!! YOU HEAR ME!?!? ASHAMED!! TELL ME WHERE THE PRINCIPAL IS! ONCE I GET MY HANDS ON HIM HE'LL REGRET THE DAY HE BOUGHT THIS CHEAP PEICE OF JUNK YOU CALL TOILET PAPER!!" "I told you the principal isnt able to speak to you right now. You can come back later and yell at him all you want or leave a message after the beep. And besides, there's nothing worng with that toilet paper. =.=" The lady doged back.

"ARE YOU QUESTIONING MY AUTHORITEH!?"

"Well No, I-"

"Excuse me office lady," Raven stepped forward and started screaming as well, "how dare you talk back to the almighty Mr. Manson like that. AND HOW DARE YOU OFFER US SUCH CHEAP TOILETPAPER!! COME ON YOU SELFISH dog! WE KNOW YOUR HIDDING ALL THE GOOD CHARMIN ULTRA IN THAT TEACHER'S LOUNGE!! GIVE IT TO US OR ELSE YOU WILL HAVE TO FACE THE WRATH OF flabla!" Raven shook her fist at the lady who was now shaking in fear bwahaha.

"R-right away, sir." The lady opened a drawer on the desk and pulled out a single square of Charmin ultra and handed it to Raven and then hid behind her chair whimpering in fear.

"WOOHOO WHOS AWSHOME NOW SMRATASS!?! AHAHAHAH!" Raven waved the piece of toilet paper in the ladies face and then her and Mr. Manson walked away down the hallway together.

"Gawsh Raven chu rock. o\_\_o You must teach me your ways." Mr. Manson said marveling at the single square of toilet paper Raven got for him.

"One day when your ready, one day..." Raven said showing off the piece of toilet paper to every kid they passed in the hallway.

"So, where are you going now anyway?" Mr. Manson asked as they passed the nurse's office where a

therapist was sitting, waiting for Raven to arrive.

"Eeeem," Raven thought for a moment, "Zeus dammit, I cant remember ;~;"

#### "Oh well. DO YOU WANNA COME WITH ME TO THE GYM ROOM?"

"SURE WHY NOT?!" Raven and Mr.Manson ran to the gym room where a bunch of losers where trying to shoot some hoops and Terra, Blackfire, and Jinx where peeking in the boy's locker room.

"Gawsh. Who knew dicks could bend that way?" Jinx said as they walked away from the locker rooms and joined Raven and Mr. Manson in a game of basketball.

Mr. Manson started doing all these spiffy @\$\$ maneuvers with the basketball while Terra helplessly waved her hands in front of him trying to steal the ball away. Jinx and Blackfire stood there watching, not wanting to break a sweat while trying to help Terra get the ball back and Raven stood on the sidelines jumping up and down and cheering. Suddenly, Ron walked in and started showing off his awshomeful basketball talent.

"That's my cue ^.~ see you losers later." Blackfire slinks off to go stand next to Ron while Terra and Mr. Manson start fighting over the ball.

"Hey, Ron. Want to come over my house at around 7:30 and share my bed with me ^^" Blackfire said in a seductive voice.

"Depends, do you have Mattress Discounters or Bernie and Phyl's?" Ron narrowed his eyes.

"Eeeem. Neither, I sleep in a box."

"SWEET!! 7:30 it is then. See you later, Darkfire." Ron skipped off.

"IT'S bLACKFIRE, YOU-o nevermind =.=" Blackfire stomps off and goes back to where her friends are ripping eachothers limbs out over the stupid basketball. SUDDENLY, there was an announcement on the speaker thingys:

"HI KIDDYS! This is your principal speaking =.= I know your having fun and all but GET TO YOUR CLASSES NOW GAWSH. Viagraville High isn't all about fooling around. You have to learn stuff too because otherwise we wont get paid. That is all. GOOD-BYE!" The speakers made a loud screeching ....screech... and then stopped. Everyone started sighing and swearing and complaining and throwing tantrums as they headed off to their classes.

Jinx and Blackfire stomped off to math class where they will spend a whole 45 minutes suffering from

immense boredom. Meanwhile, Terra went to science and Raven skipped class and just hung out in the bathroom doing who knows what.
