If the format's messed up, sorry but this is my first time uploading writing. Anyway, I used Edgar Allan Poe's style of writing for this so I hope you enjoy it!

Deep in Hell's infernal core,
Vast travelers wander evermore,
No ghastly monarchs bare remorse,
For their kingdoms taken in unearthly force.

Their life a dim-remembered story,
Pale memories a fleeing quarry.
Lost in a sea of forgotten dreams.
An extravagant bird without its wings,
Dispersed into darkness never again to be seen.

Silent in their eternal prison,
Malevolent thoughts hidden deep within,
Trapped in a myriad of nameless graves,
All that entrap the assailed knaves.
Whose wrong-doings and faults cannot mend,
That brought the souls to such tragic end.
