## 1 - First Overture

*Beauty. Wonder. Kindness. Peace. I've been told that all these things and more could once be found in the land I now call home. But that was a long time ago. Before the pain. Before the hate. Before her. But it is not just my home that has been plagued by that vile witch, Ambrosina, a name that still strikes fear and disgust into the hearts of many. She has used her dark magic to rule over our entire world. But now the time has come for me and my newfound friends to put a stop to her evil. The only question is: Are we strong enough?*
