Today was a living hell...today you broke up with me...don't you know what you are doing to me? Your killing me...slowly...every time you look my way...every time you talk to me...i get these butterflies...but these butterflies are not good...before we broke up butterflies were good...every time we held hands, hold each other in our arms, told each other we loved each other,

Looked deep into each other's eyes, sang our favorite parts of songs together, when we would love bite at the movies, EVERY SINGLE SECOND I SPENT WITH YOU I CHARISHED...I am here...I'll be waiting...RIGHT HERE...waiting for you...to come back to me...I LOVE YOU <3 and you think i like someone else...I don't...it was just miss wording...I'll do anything for you...to come back...maybe one of these days you will see how much I need to be with you...cause I love YOU...
