Chapter 1 - my love and my blood

2

1 - my love and my blood

This is my poem...i died and was brought back...my life is a wirlwind of hate...

"love me uncle..."

Why uncle, why?
Were you only satisfied if I were to die?
Hated by all, except for you,
Are you saying that wasn't true?
You hated me, when I loved you.
My life a miserable one, no friends at all,
Would you have loved me if I weren't so small?
I bet not.
What if I didn't have this demon in me?
And didn't take the life of your sister?
It wasn't my fault!
That one lonely night, I sat teary-eyed,
That was the night when you terribly died.
You confessed your hatred,
I'll never forgive you,
I want my hatred to you, to go to your grave with you!
I trusted you, you betrayed me,
Did my love mean nothing to you?
I thought it was father,
Who I hated as well,
Now I want both of you,
To go burn in hell!
Why was it only me?
Why not someone else?
To face all these problems,
That I've gone through and felt,
I thought we were friends,
But you know what I realize?
Friendships don't always last,
Until the very end.
I'm all alone...
