1 - After Victor

Well i suppose it starts after i left Victor so he could marry "Little miss Living".Well what else could i have done,really?After that night i left the church,i went back to my coffin.Hehe Scraps was there waiting for me,i guess Victor left Scraps like the way i left him.I played with Scraps for a while,sitting on my coffin wondering what to next.My mind somewhere else.Suddenly i heard a gruff familier voice calling me"hey jubalishishly lovely girl,what ya do"n here?"
