Fairytale

[] = echo

(chorus)

Pass your hand and I'll take you, to a magic land,

Far away in the distance, hand in hand.

(verse 1)

Where babies born from blossom trees,

Cowboys sail the seven seas,

Clouds that grant your wildest dreams,

[Fairytale]

Where buildings reach and touch the sky,

Birds that swim and fish that fly,

Grasses green so soft to lie.

[Fairytale]

(chorus)

Pass your hand and I'll take you, to a magic land,

Far away in the distance, hand in hand.

(verse 2)

Where the sun shines all day long,
Mountains full of silent song,
Humans, creatures, big and strong,

[Fairytale]

Where oceans shining crystal blue,
Happy pure and love is true,
Where all my time is spent with you.

[In my fairytale]

(chorus)

Pass your hand and I'll take you, to a magic land,
Far away in the distance, hand in hand.

(bridge)

Fairytale, fairytale,
Fairytale, fairytale.

(chorus)

Pass your hand and I'll take you, to a magic land,
Far away in the distance, hand in hand.
