So This Is Christmas { } = echo

So this is Christmas,

But it's no fun,

People buy presents,

All for the young,

No one to buy for,

No where to live,

I've got no money,

And no one will give.

[Chorus]

Please help me Jesus,

My life is a lie,

I don't want to live,

But I'm too scared to die,

{I'm too scared to die}

So this it Christmas,

Nothing to eat,

Got no new shoes,

Still got bare feet,
No Christmas dinner,
I just can't think,
Nothing to live for,
So I just drink.

[Chorus]

So this is Christmas,
Festives around,
The lights are lit up,
I'm down on the ground,
It's cold and it's snowing,
I'm trying to sleep,
It doesn't work,
When I try counting sheep.

[Chorus]

[High Verse, melody changes]

So this is Christmas,
They're calling my name,
They're taking me somewhere,
Is this a game?

Now I'm in a hospice,

And back on my feet,

You saved my life,

Thank you Children In Need.

Jesus has helped me,

My life's not a lie,

I do want to live,

And I don't want to die,

{I don't want to die}

{I don't want to die}
