# 1 - dolphin symbol of friendship

The dolphin the symbol of friendship

There I swim up and down so gracefully I stay with my friends and I am always very loyal to them. I never let them get into trouble and always help them when they need me and I am always there by their side and they can trust me. Because I am the dolphin the symbol of friendship I will always there and care about you my friend so don't you worry Night or day rain or snow I will always protect you so don't be afraid I will always be there . I am like a dolphin that swims throw the gentle waves with its it friends i am like the dolphin the symbol of friend and i am aways there no matter way i will always help you when felt hurt or sad or you are alone because i am your best friend.
