Chapter 1 - Mask of Innocence

1 - Mask of Innocence

Who.....Who are you supposed to be?
Do you expect to save me? to help me?
You cant, you're a liar.
You wont admit but you realize its true.
I cant be saved by you.....the one who betrayed me most.
I dont even know who you are; you have changed.
You say your sorry but you are lying, I see it in your eyes...
We were such good friends.....I cant accept it,
that you, would betray me.
I dont want your stupid pity....
I want you to leave, I cant wait....
I'm beyond help, and you are beyond cruel..
These lies that have accumulated,
they have to stop hurting me!
I alone will stop my pain.... not your pity.
I hate you and all you have become...
Hide your face, and your deception, behind your Mask of Innocence.
