Chapter 1 - lonly

2

1 - Only

Don't worry, they said they would come
You lay in the snow and your body turns numb
You shake, you cry
Just wishing you'd die
The tears freeze
Because of the breeze
You were foolish, you were wrong
You think you hear a song
A song of pain
It starts to rain
The cold drops of water hit hard
You will remember this is how you were scared
