**Chapter 1 - without you**

**2**

## 1 - without you

As the days pass slowly without you here  
I just want you to know I miss you my dear  
I thought you were happy and glad  
I had no clue that you were so sad  
I didn't know you cried at night  
I just wish you could have won that fight  
now you're gone lost forever  
Have I cried like this? – Never  
You made me laugh  
You made me cry  
Just kill me now and watch me die  
And I will be with you  
You will say, "I love you"  
And I will say, "I love you too"
