Chapter 1 - A cold night

1 - A cold night

it was a cold night. i was only ten when they died. I could see the light fading away from my mom's eyes. "No!Mom!what will I do without you?"

"Aaron, its okay, you'll be okay." she coughed. "i believe in you..."

horror of losing my mom washed over me. i had already lost my dad. i wiped away my tears and straightened up. i moved the hair around my mother's neck and my sadness immidiatly turned into anger. vampire's did this! mom never told me about how dad died but i have a pretty good idea. i went outside.

bitter cold blasted over my face as soon as i opened the door. the snow was at least a foot tall. five minutes later my hands were numb. i would think that since i was a werewolf that i wouldnt go cold all the time, so fast.

i don't know what im gonna do anymore.
