Chapter 1 - Good Year

2

1 - Good Year

Lost in a world i do not know
Never knowing which way to go
Everything in here is so new to me
But i feel as if i've been set free
Free to run rampid, free to run wild
Knowing that my likeness of you is more than just mild
Whenever i look into your eyes
I feel as if you're the only one who can hear my cries
No longer shedding those tears
From the pain suffered over the years
Without you, i wouldn't be here
But thanks to you, this is my first good year
