Chapter 1 - Suicide

1 - Suicide

Suicide...

In a room, sitting in the dark
Her little friend is leaving its mark
On her wrists and on her hands
She is in search of new lands
Can't stay here, for theres too much pain
These thoughts are making her go insane
Her mind is racing and her skin is numb
If only she hadn't been so dumb
Just one quick stab would end it all
If only she could make that one call
Break the promise that she had made
To that boy who came to her aid
As she looks down from the sky
She sees those who made her life worse cry
And worst of all, that boy had yet to shed a tear
For she had done his one true fear
That boy is now dead on the inside
All because she commited suicide
