**Chapter 1 - Untitled**

## 1 - Untitled

Theres a new way of cutting  
without using your wrist  
Just someone who says they love you  
It`s suicide with a twist.

Until some day they'll stop loving you  
It isn`t always fair.  
Some girl might just come along  
and then he`ll start to stare.

But that reason isn`t your fault  
He says he'll still always love you  
Then you`ll stop and think  
Where did I go wrong?

You don`t know why  
You don`t know what to do  
You might even scream or cry  
Suicide might even do.

You'll never get over him  
He left your heart so scarred  
You`ve known him for so long it seems  
He seems so far.

Theres a new way of cutting  
without using your wrist  
And all you have to do  
is find someone who said they loved you.  
It`s suicide with a twist.
