1 - Where Am I From

Where am I from?
I always walk
with only one
destination in mind.
I want to find
where I belong.
Home is no place
that I live,
but instead a
quite foreign land.
As I walk along,
the sun ceases within,
the very shadows
that it causes.
But no place
seems quite right.
Where was I born,
Why should it
even matter?
For my place of birth,
it is even to strange
for my own eyes
to remember.
So I always
ask myself
the same question.
Where am I from?
