Chapter 1 - Our Murder

2

1 - Our Murder

Suicide,
He makes lives like
they never were
before.

His best friend
Homocide is like
what you never
hope to know.

Infanticide
laps up life
before it
even has begun.

Genocide is the
worst of all,
for He never
shall stop,
once he has
just one lick.

Yet still,
there is
Jealously.

She is not
the worst of
all said.

No, she just
is embedded
within us all.

These are some
of the types
of Murder
in our crazed
World.

So God help
us please.
