*This is just a poem about what I have learned from life thus far. Life is full of hurt, but you cannot let it hinder you.*

**Chapter 1 - I Have Learned...**

**2**

## 1 - I Have Learned...

I have learned to never be afraid,  
that it is ok to walk alone in the dark,  
with out your hand in another.  
To be afraid would hinder your soul,  
and make you waste away.

I have learned not to cry,  
and it is okay to feel hurt inside.  
People will be there for you.  
No matter what you do,  
those there for you will love you,  
unconditionally.

I have learned it is okay to hurt,  
and be hurt all the same.  
You cannot help it if  
you do not know why you cry.  
Life will only get better.

I have learned to ignore  
the evil sound from all around.  
Every where there are people  
who just want to hurt you.  
They don't want you to be okay.

I have learned to hold my head high,  
to never let others pull me down.  
Dammit, I am who I am.  
and no one will stop me.  
This is how God made me,  
and I am damn proud.

But yet,  
I must learn to love again.  
Inside I holler and scream  
for what life has done hence.  
But one day...  
I will learn to love again.
