# 1 - The Prophecy of Tainted Love

All good things must come to an end.  
(So why did you give your hearts away?)  
Hearts will open and blood shall spill forth.  
(I told you not to!)  
As goes the Prophecy of Tainted Love

(All love is tainted, you crying wretch!)  
Still I have our many memories.  
(All you will remember is the pain.)  
Together forever we both once said.  
(He is not the one for you, so stop dreaming!)  
I will always love you.

(One of these days, you'll just want 'em dead!)  
And that, nothing can change.  
(I can already tell your heart is breaking...)  
Once you were my dream, embedded in my soul.  
(Dream on...dear sweet wretch....nothing lasts forever...)

I know that there shall never again be another we.  
(Stupid, stupid soul. I warned you, did I not?)  
Even as I cry everyday,  
(He will murder you from the inside out, oh twisted child.)  
of this I am quite glad.

(When you look back into the past,)  
At least you have found your happiness.  
(you will want it to never be.)  
I am yet to find mine,  
(Foolish mortal girl.)  
so patient must I be.  
(I see him now, you are dead to him.)  
But by His hand,  
(I am smiling at your pain)  
I shall find it one day.  
(He will forever echo in your mind, little one.)

A goes the Prophecy of Tainted Love  
(All love is tainted, you crying wretch.)
