**Chapter 1 - Faultered**

**2**

## 1 - Faltered

I'm lost without you  
I'm still in love  
I miss your warmth  
I miss the thought that you're still near  
I held too tight  
and you let me go  
It was a beautiful letdown  
To come out alone and hurt  
If only I'd known  
My grip on life was not that firm,  
I'm like a child,  
I just need someone to guide me through.  
I think of times there before,  
Moments of joy,  
And our first kiss,  
And I nearly fall.  
I know that I'm amiss,  
For not giving up,  
I see all of my wrongs lined up in my head.  
And I wondered curiously how you felt  
When I gave up hope,  
When I said I love you,  
And I wondered how you felt  
When I said au du.  
But even thought you're gone  
I want you to know,  
That I still miss you.
