Chapter 1 - Pathetic

2

1 - Pathetic

Now you see me as pathetic
My weeping woes of solitude
My desires to see you as before
You told me i was wrong
And I believed you
With you I feel I belong
This life of solitude
Dreaming up the memories
I thought we shared all of this
But now I'm just pathetic
Leaving as I was
Believing I wa wrong
Believing this was fate
A hellful misery
Just as I came
Leaving as before
So now you're gone
Weeping woes of solitude
Hurtful memories
Did they even exist?
And now I cry outloud
This pain is like before
All I do is trust
My intentions weren't that true
All I have is me and you
Leaving like before
All I need is you
I think I found tyhe door
But I can not be sure
All I have is faith
I'm leaving out this door
I'm out of your life
This pain I am assured
Leaving tears of memories
All I wanted....was you
